

connect consumers to local resources

- Efficiently connect consumers with vetted, local support services & tangible assistance
- Database of 4,500 routinely updated providers in 18 service categories, including employment services, health care services, and food & utility assistance
- Resources in 75 metropolitan areas & all 50 states
- Available since 2006—now used to make 1,500 referrals a day
- For housing, credit, & bankruptcy counselors—or anyone who talks to consumers in distress

how it works

- Web-based application is accessed via affordable subscription
- Includes counselor scripts, ability to email results, & other time saving features
- Download real time usage reports sorted by user group, service types, & state

results

- Customers get reliable help that often reduces their monthly living expenses
- Counselors feel better equipped to assist & as a result they gain consumer trust
